

SALT SPRING[™]

COFFEE

Organic, Fair Trade.

Our Story

Established in 1996, Mickey McLeod and his wife Robbyn Scott began roasting coffee beans in a converted popcorn maker at their Salt Spring Island home on Canada's West Coast. Today, Salt Spring Coffee is one of Canada's largest and most respected coffee roasters now located in Richmond, BC.

We supply great tasting, organic, fair trade coffee to grocery stores, cafes, restaurants, educational facilities and office coffee partners across Canada.

As we grow, we continue to push the envelope in producing quality organic coffee while keeping core company values and sustainability principles as a driving force.
