LIKE NEVER BEFORE

MEET

NESPRESSO MOMENTO

With **Nespresso** Momento, creating extraordinary moments for your team and guests becomes effortless so they will feel special time after time.

OUR NEW, SMART, INTUITIVE WAY TO
EXCEPTIONAL COFFEE

Nespresso Momento is easy to use, easy to set up, easy to clean and easy to service. It employs our new smart technology and is designed with sustainability and the needs of your specific business in mind.

AN INTUITIVE EXPERIENCE

Nespresso Momento makes it easy for anyone to create a perfect coffee with an intuitive touchscreen that brews Americanos, Ristrettos, Espressos and Lungos with just one touch. It removes the guesswork by recognizing capsules and recommending the best way to brew them. Designed for convenience, it includes features such as heated cup storage and automatic capsule ejection.

SMART EVERY STEP OF THE WAY

Nespresso Momento is ready when you are, with proximity sensors that detect your presence and wake up the machine. It knows how to perfectly brew our incomparable coffee — sustainably sourced from the world's finest coffee beans. With automatic rinsing and maintenance alerts, **Nespresso** Momento makes maintenance easy and stress free.

BUILT FOR YOUR BUSINESS

Nespresso Momento works for your business. It's optimized for energy and water efficiency, featuring various energy-saving modes so you can do your part to protect the environment. Customizable settings mean you can easily choose the ideal temperature and cup sizes. With a sustainable modular design, it's built to last — delivering up to 250,000 brewing events and can be easily serviced or repaired.
